## When the Truck Arrives

Check each and every item on your delivery against the delivery ticket. Any shortages or overages must be noted on the ticket **before** the driver leaves your premises. Our office receives a copy of the tickets in order to track shortages/overages.

Every Local Education Agency (LEA) **must** accept all damaged product and recoup any of the product that can be used. **Note on the delivery ticket the amount of the item(s) that is not usable** (e.g., exposed items). **(Make sure this is noted on the driver's copy.)** If you have special concerns about a damaged product, or if the damage is more extensive than noted on ticket, please call Gary Karr (573)751-7253 or Ellen Hester (573)751-9424.

Occasionally, the delivery truck may be behind schedule due to mechanical failure, bad weather, or problems unloading at a previous site. The State Agency appreciates any cooperation you can give the driver in getting the truck unloaded after 4:00 p.m. However, if a driver has arrived the afternoon **before** the day scheduled, the LEA is under no obligation to unload the truck if this situation causes a hardship.

**Do not** accept any items that are **not** listed on your delivery ticket. They belong to another school and the driver needs to return them to the warehouse so we can get the items to the right place.

If the driver attempts to deliver processed product that does not belong to your school and the processed product is accepted, your LEA must pay for the product.
